Billing errors must be reported to us within 30 days, in writing, detailing the error and sent to the Customer Support address on your bill. We'll investigate and reply within 10 days. To avoid service interruption, you should pay the undisputed portion of the bill. If you're not satisfied with our reply, you may write to The New York State Department of Public Service, Three Empire State Plaza, Albany, NY 12223-1350 or call 1-800-342-3377.

You're billed each month in advance for the next month's services. Service cancellations are effective on the last day of the then-current billing period. For more details, please visit www.optimum.com/terms-of-service. Rates subject to change or discontinuance at any time. At the end of your promotion, you will be billed rate card pricing for all services and fees. Visit www.optimum.net/pricing for current residential non-promo rates and optimum.net/pricing-packages-business for current business non-promo rates.

If any changes are made to your account during the month, partial month charges may apply. Charges for On Demand/Pay Per View (PPV) will appear on the next billing statement following your order. On Demand/PPV purchases aren't subject to refund or credit. Use parental control features to avoid unwanted purchases.

If your monthly account balance for On Demand/PPV selections exceeds \$55 (\$175 for customers in good standing after 90 days), we reserve the right to limit additional On Demand/PPV orders.

There is an additional monthly charge for equipment, including cable boxes and remote controls. There is also a monthly fee to access premium or digital programming on additional TV sets in your home.

Payment Information

Authorization to convert your Check to an electronic funds transfer:

By sending your check to us as payment, you authorize us either to use info from your check to make a one-time electronic funds transfer from your account or to process the payment as a check transaction.

Payment is due by the date indicated on the front of your bill. If you're a TV customer, payments not received within 15 days of the due date may be sent to collections and will be assessed a late fee if not paid within 30 days of that date. Additionally, you'll receive written notice of service interruption for non-payment. If you're not a TV customer, payments not received within 2 days of the due date will be assessed a late fee and sent to collections within 13 days of that date. You'll continue to be charged a fee of \$10 on each subsequent past due bill if payment is not received by the due date indicated.

Payments can be made at no charge through our automated phone system by calling Customer Support. Follow the phone prompts to set up an automated payment by check or credit card. Entering your Optimum account number and zip code authorizes an ACH debit entry to your bank account that can only be revoked by speaking with a representative.

If your service is interrupted or downgraded for non-payment, payment of the past due amount and applicable restoration charges are required before service is restored to prior level. Service interruption or downgrade will affect TV, internet, and phone services. If your service is disconnected for non-payment, full outstanding balance, a re-installation fee up to \$79.95, and one months service in advance will be required before a re-connection is scheduled.

You're responsible for lost, damaged or unreturned equipment and will be charged the full replacement fee for each. For list of current replacement fees, visit www.optimum.net/pricing Other Services & Charges.

If you are a NY customer and unable to pay your bill due to circumstances related to COVID-19, you must contact us to discuss options available (including payment plans) to maintain minimum service levels through December 21, 2021. You must certify/attest to the fact you have been financially impacted by the COVID-19 pandemic and may be required to submit documentation/proof of financial hardship.

If your bank returns your check unpaid, you'll incur a \$20 fee.
